*Museum für Naturkunde - Leibniz Institute for
Research on Evolution and Biodiversity*

1st EU BON Stakeholder Roundtable
„Requirements from policy“

2nd EU BON Stakeholder Roundtable
„How can EU BON support Citizen Science?“

3rd EU BON Stakeholder Roundtable
„Workflow from data mobilisation to practice“

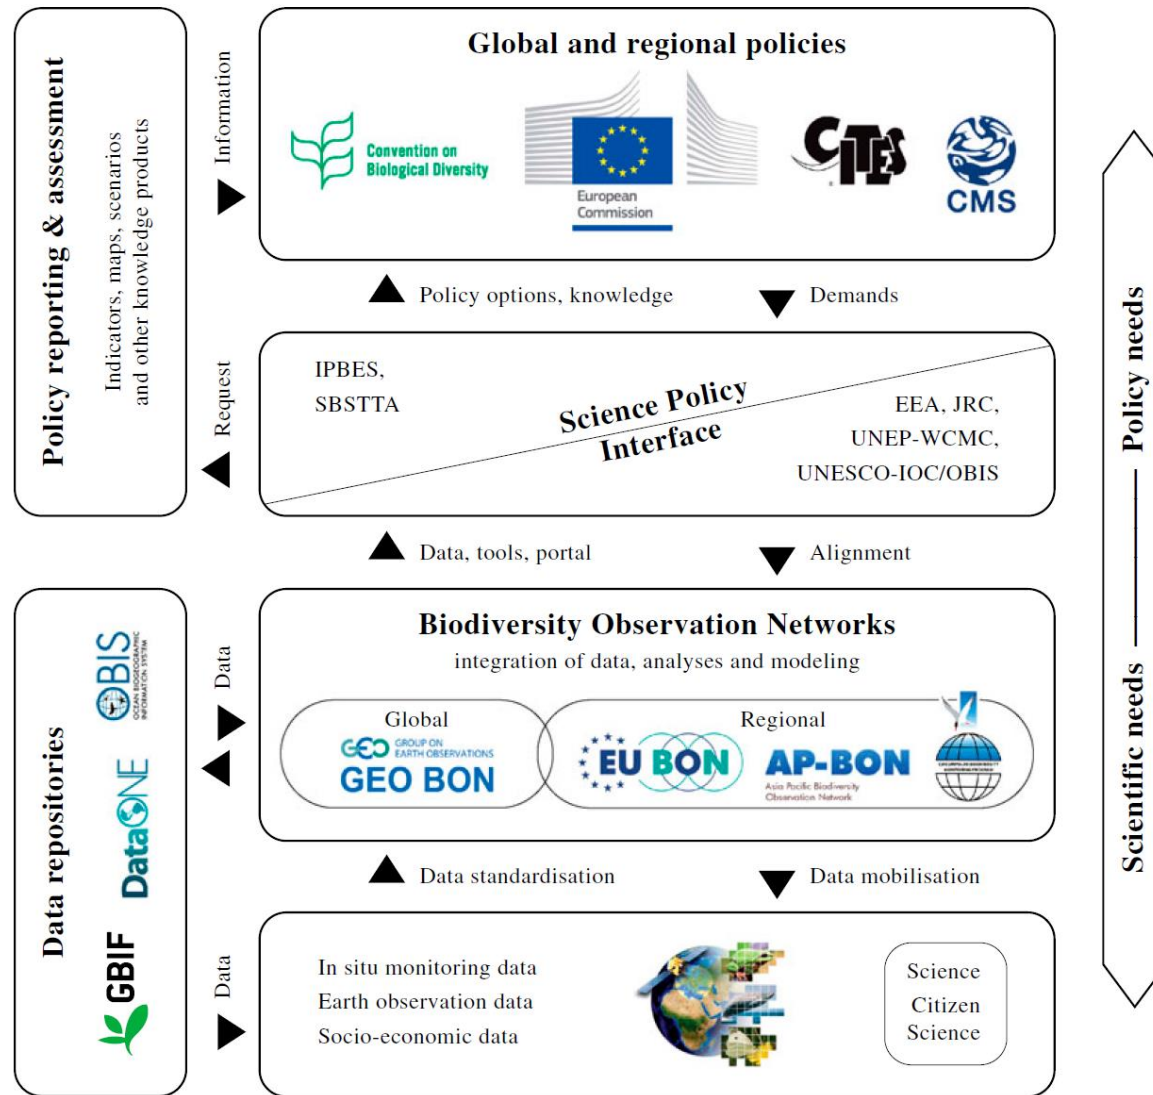

4th and last EU BON Stakeholder Roundtable
„Business Plan“

3rd EU BON Stakeholder Roundtable „Workflow from data mobilisation to practice“

- Validation of stakeholder groups
- Requirements from stakeholder groups
- Inform and interact with EU BON community („*reality check*“)
- Fine-tune EU BON project activities

Example: Biodiversity Data for Policy (Aichi Targets)

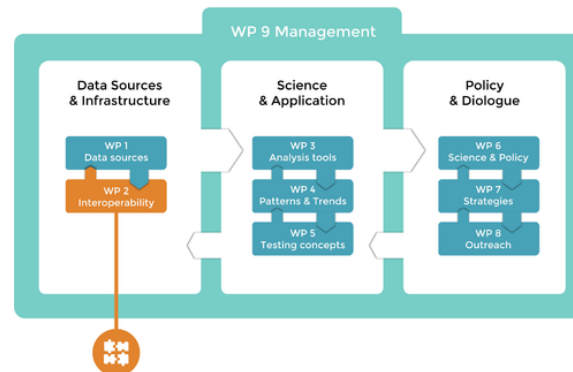

Wetzel et al. 2015

„Workflow from data mobilisation to practice“

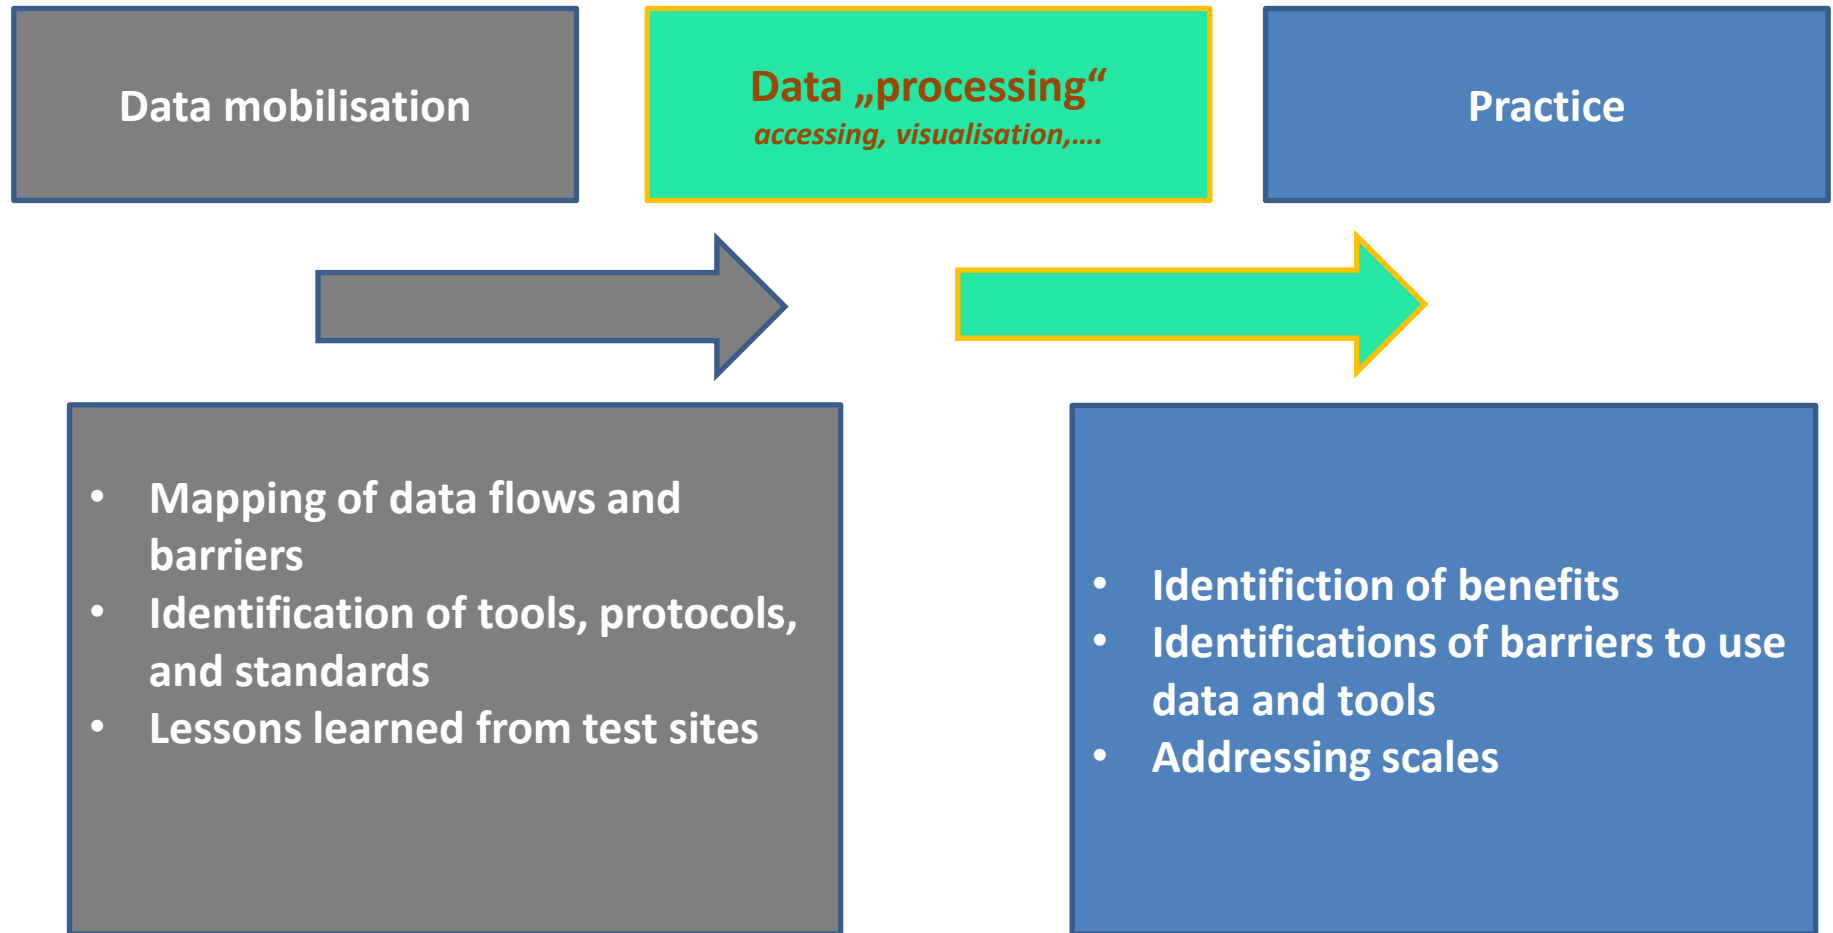

Welcome to the data mobilization helpdesk and training facility of the EU BON
This website will guide you through Data Mobilization Toolkit and offer an support answering following questions:

European Biodiversity Portal (EBP)

„Workflow from data mobilisation to practice“

„Workflow from data mobilisation to practice“

Expected outcomes

- Clarification of stakeholders and stakeholders needs
- Learning from experiences at test sites
- Identification of barriers in the workflow
- and possible solutions
- Identification of benefits to build on further
- Compilation of outcomes in an open accessible report /publication

Thank you for hosting us in Granda!

A good meeting to all of us!
